

# We want you!!

To be a part of the new national screening audit programme

DAA Group is seeking people who want the opportunity to be upskilled as Technical Expert Assessors.

Do you have a current **APC**, at least two years **relevant experience** in a screening setting, and an **interest in quality** audit?

We are seeking **expressions of interest** from **every** discipline in **each** programme:

Are you a **midwife**, a **surgeon**, a **radiologist**, a **MLS**, a **pathologist**, a **nurse**, a **MIT**, or work in the **bowel screening** programme?

## We want to hear from you

You will need to commit to:

-  **training** prior to Christmas and **ongoing** training as required
-  **be available** for audits 1 -2 days at a time over the next 3 years

And in return we provide **payment**, **professional development**, and **professional peer networking opportunities** to support continuous **quality improvement**

## We want to hear from you

Contact us to express your interest at [NSAP@Daagroup.co.nz](mailto:NSAP@Daagroup.co.nz)

We look forward to hearing from you and answering your queries.

**National Screening Audit Programme Team at the DAA Group**
